Arkansas PBS will initiate the Required Monthly Test (RMT) from Conway statewide on all six transmitters KAFT, KEMV, KTEJ, KETS, KETG and KETZ. Stations monitoring Arkansas PBS will have a 60 minute window in which to re-transmit the RMT. Stations having difficulty receiving one of Arkansas PBS's six transmitters may monitor KAIT DT in Jonesboro, KTHV DT in Little Rock or KHOG DT / KHBS DT in Northwest Arkansas. Television stations must re-transmit the RMT both visually and aurally.

Arkansas PBS initiates random Required Weekly Tests (RWT) which stations must log but are not obligated to re-transmit. Each station may originate a RWT locally whenever it best fits your program schedule. Weeks in which an RMT is scheduled there will be no RWT from Arkansas PBS.
